

CONTACT US

Nestlé Health Science is committed to providing you with the resources necessary to answer your questions and other informational needs. For any questions about our ZENPEP® (pancrelipase) delayed release capsules or Viokace® (pancrelipase) tablets and related services, please refer to the following:

LIVE2THRIVE® and Z-SAVE® Programs

Nestlé Health Science will continue to provide important programs, including:

- The LIVE2THRIVE Program for Cystic Fibrosis patients
- Z-SAVE™ patient savings cards

Please visit www.live2thrive.org or call 1-888-936-7371 for more information about the LIVE2THRIVE program.

Please visit www.zenpep.com/savings-programs or call 1-844-476-7221 for more information about the ZENPEP Z-SAVE program. Live agents are available Monday-Friday, 8:00 am to 8:00 pm, excluding holidays, throughout the continental United States.

Patient Assistance Programs

The Patient Assistance Program for ZENPEP and Viokace will remain the same, and you will continue to receive your prescription product without any interruption through your physician. For more information about these programs, please call 1-855-210-6228 or visit the following website:

<https://www.nestlehealthscience.us/patient-assistance-program>

Medical/Product Information and to Report Adverse Events/Product Complaints

For medical/product information and to report adverse events/product complaints for ZENPEP or VIOKACE, please contact Nestle Health Science at 1-833-AIM2KNO (1-833-246-2566).

You are encouraged to report negative side effect of prescription drugs to the FDA. Visit www.fda.gov/medwatch, or call 1-800-FDA-1088.
