

CONTACT US

Nestlé Health Science is committed to providing you with the resources necessary to answer your questions and other informational needs. For any questions about our ZENPEP® (pancrelipase) Delayed Release Capsules or Viokace® (pancrelipase) tablets and related services, please refer to the following:

Patient, Caregivers and Healthcare Professionals

For medical/product information, product complaints, report a side effect or adverse events and other service needs relating to ZENPEP® or Viokace®, please contact Nestlé HealthCare Nutrition at 1-833-AIM2KNO (1-833-246-2566)

You are encouraged to report negative side effects of prescription drugs to the FDA. Visit www.fda.gov/medwatch, or call 1-800-FDA-1088.

LIVE2THRIVE® and Z-SAVE® Programs

Nestlé Health Science will continue to provide important programs, including:

- The LIVE2THRIVE® Program for Cystic Fibrosis patients
- Z-SAVE® patient savings cards

Please visit www.live2thrive.org or call 1-888-936-7371 for call for more information about the LIVE2THRIVE® program.

Please visit www.zenpep.com/savings-programs or call 1-844-476-7221 for more information about the ZENPEP® Z-SAVE program. Live agents are available Monday-Friday, 8:00 am to 8:00 pm, excluding holidays, throughout the continental United States.

Patient Assistance Programs

The Patient Assistance Program for ZENPEP® and Viokace® will remain the same, and you will continue to receive your prescription product without any interruption through your physician. For more information about these programs, please call (855) 210-6228 or visit the following website:

<https://www.nestlehealthscience.us/patient-assistance-program>
